CEO's DAY

NETWORKING AND DEVELOPMENT OPPORTUNITY FOR CEOs

The 5th Australasian Better Boards Conference program now includes a CEO's Day, to be held on Friday 23rd July.

The CEO's Day provides a unique opportunity to get together with CEOs/Managers from a diverse range of Australian and New Zealand NFPs to discuss board/governance challenges and opportunities.

The program is squarely focused on:

- short, powerful presentations and practical master classes
- accessing skilled and experienced practitioners and experts who bring new ideas, information, solutions and tools
- round table discussions with other CEOs
- case studies and panels that will provide you with demonstrated and successful organisational and governance projects.
